

ERONINI GABRIEL

• Software Developer •

ABOUT ME

I have just 2-years of building application as a software developer with Codeflare. In my short time there, I've contributed to over dozens open source projects and assisted with managing project for long time client.

"Prior to this role, have built application using Typescript and Javascript at Codeflare and Gisera where I honed my coding skills, I would love to specialize on this skills while working with your firm.
